

MUHAMMAD AFRIZA HANIF S.KOM.

Sidoarjo, Indonesia | [\(+62\)87777056650](tel:+6287777056650) | afrizahani728@gmail.com | [LinkedIn](#) | [Portfolio](#)

SUMMARY

Information Systems graduate with proven experience in web development using Laravel, PHP, and MySQL. Completed internship at BPS East Java (Jan–Mar 2023), focusing on data management, system optimization, and performance improvement. Skilled in implementing advanced algorithms such as Simple Additive Weighting (SAW) to automate decision-making processes. Strong background in building scalable applications, optimizing workflows, and delivering innovative digital solutions. Actively seeking a Web Developer role to apply technical expertise and contribute to high-impact projects.

EDUCATION

Universitas Dinamika – Surabaya, Indonesia

2021 - 2025

Bachelor of Information System, Cumulative GPA: 3.26 / 4.00

- Subjects : Basic Web Programming, Advanced Web Programming, Database Programming
- Achievements : -

WORK EXPERIENCES

Kominfo Jawa Timur

Intern Front-End Developer

September 2025 - January 2026

- Contributed to **debugging and troubleshooting** frontend issues in a web application, improving stability and performance.
- Applied **JavaScript fundamentals** to identify and resolve UI/UX inconsistencies.
- Collaborated with team members to test and validate bug fixes, ensuring smoother user interactions.
- Strengthened knowledge of **frontend frameworks** through self-study, completing online courses in **React, and modern JavaScript** (Udemy).
- Gained practical exposure to **web development workflows**, version control, and problem-solving in a professional environment.

Badan Pusat Statistik Provinsi Jawa Timur

Intern Web Developer

January 2023 - March 2023

- Assisted in the design and development of a **library management web application** using **Laravel (PHP framework)** and **MySQL** for backend functionality.
- Implemented **CRUD operations** for book records and user data, ensuring structured database management.
- Collaborated on **frontend development** with **Bootstrap**, creating responsive layouts and user-friendly interfaces.
- Gained hands-on experience in **MVC architecture**, database integration, and web application deployment workflows.
- Worked in a team environment, applying **problem-solving skills** and learning industry best practices for full-stack development.

PROJECT EXPERIENCES

Final Project – Web-Based Employee Selection Application (SAW Method)

Full-Stack Developer

October 2024 - January 2025

- Designed and developed a full-stack solution using **Laravel, PHP, MySQL, HTML, and Bootstrap**.
- Implemented the **Simple Additive Weighting (SAW)** algorithm to automate criteria evaluation, improving decision-making efficiency.

- Built secure **user authentication and role-based access control** to protect sensitive evaluation data.
- Optimized the employee selection process to **1.79 minutes** for 10 criteria, reducing the manual timeline of **4–5 weeks**.
- Demo available: [YouTube](#).

Internship Project – Full-Stack Library Management Application

Intern Web Developer

January 2023 - March 2023

- Developed a web-based library system using **Laravel, PHP, MySQL, HTML, and Bootstrap**.
- Implemented CRUD functionality to manage books, table of contents, staff records, and loan/return transactions.
- Designed features to help staff quickly search books and contents without navigating multiple pages.
- Built **Excel import** capability to streamline bulk data entry and reduce manual input during server migration or downtime.
- Added **export to Excel/PDF** functionality, enabling staff to generate reports and print records efficiently.

ADDITIONAL

Languages: Indonesian (Native Proficiency); English (Working Proficiency)

Technical Skills:

- **Programming Languages:** PHP, JavaScript (ES6+), HTML5, CSS3, SQL
- **Frameworks & Libraries:** Laravel, React, Next.js, Bootstrap 5
- **Databases & Backend:** MySQL, SQLite, RESTful API
- **Developer Tools & VCS:** Git, GitHub, VS Code, Postman
- **Systems & Networking Setup:** Hardware Assembly, PC Maintenance

Soft Skills:

- Problem Solving
- Analytical Thinking
- Team Collaboration
- Cross-Functional Communication
- Time Management
- Adaptability
- Attention to Detail
- Technical Documentation
- Clean Code Practice

Certifications & Professional Development:

- Magang Mandiri SEAL Batch 2 – SEAL Internship
- Coursera:
 - Google AI Essentials
 - Google AI
 - Meta Front-End Developer
- Udemy:
 - The Complete Full-Stack Web Development Bootcamp
 - The Complete JavaScript Course 2025: From Zero to Expert!
- Digitalent:
 - Konsep Pemrograman
 - Computational Thinking: Cara Berpikir Logis untuk Mengatasi Masalah
 - Pengantar Mindset Digital 1: Mengubah Masa Depan Anda Dengan Pola Pikir Digital
